Important Parking Notice
Finn, Adams, Cooper & Greiner Towers

Due to the close proximity of residential dwelling windows to the parking area at these sites, back-in parking is **prohibited**.

All vehicles must park head-on in order to minimize the amount of carbon monoxide that seeps into the dwelling units through open windows or vents.

This precaution is to safeguard the health of all of our residents and we expect that all residents will fully cooperate both when parking their own vehicles and when instructing guests or visitors about parking their vehicles.

The Management
