### **Public Notice**

The Housing Authority of the Township of Woodbridge will be re-opening a portion of the waiting list at certain senior/disabled sites beginning August 1, 2017.

Applications may be picked up at the individual sites noted below, or at the main administration building located at 10 Bunns Lane in Woodbridge after July 1, 2017.

The sites where a portion of the waiting list will be re-opened at this time are as follow:

- Greiner Towers – 460 Inman Avenue, Colonia
- Stern Towers – 55 Brook Street, Woodbridge
- Finn Towers – 19 Martin Terrace, Woodbridge
- Adams Towers – 555 Rahway Avenue, Woodbridge

At this time, only applications for efficiency (-0- bedroom) units will be accepted for addition to the waiting list. Therefore, all applicants must be single-member households, sixty-two years of age or permanently disabled.

A HUD approved designated housing plan is in effect at the Woodbridge Housing Authority and as such, only a limited number of efficiency units are designated for occupancy by disabled rather than elderly tenants.

All of the units at Stern Towers are designated for elderly tenants only. Therefore only applicants who are 62 years or older may make application at Stern Towers.

#### **FYI**

- Greiner Towers has only 2 efficiency units designated for disabled tenants
- Finn Towers has only 2 efficiency units designated for disabled tenants
- Adams Towers has only 5 efficiency units designated for disabled tenants

The majority of units designated for occupancy by disabled tenants are located at Olsen and Cooper Towers. Unfortunately, both of these buildings have more than a sufficient number of applicants on their waiting lists at this time and are therefore remaining closed to application.
