Special RAD Bond Counsel

January 2018

Sealed Proposals due no later than 2:00 PM on January 3, 2018

Welcome to the Woodbridge Housing Authority

In 1937 Congress passed the US Housing Act to “alleviate unemployment and to remedy unsafe and unsanitary housing conditions and the acute shortage of decent, safe and sanitary dwelling for families of low income.” The legislation was designed to encourage construction, create employment opportunities, and provide shelter for low-income families and clear sub-standard housing. Emphasizing local control of its programs, the Housing Act provided for housing in which rents would relate to the tenant’s ability to pay.

The Housing Authority of the Township of Woodbridge, New Jersey, was created October 14, 1949. The Township Ordinance creating the Authority was adopted August 16, 1949.

The Authority is composed of 150 units of family public housing, 415 units of senior citizen public housing and 405 units of Section 8 housing.

The purpose of the Woodbridge Housing Authority is to create and maintain safe, decent and sanitary housing for those individuals of low to moderate income.

Mission Statement

It is the mission of the Woodbridge Housing Authority to:

- ◆ Provide affordable, decent, safe and sanitary housing through the maintenance of our existing units and the development of new units;
- ◆ Create an environment which enables residents to live responsibly and with dignity;
- ◆ Support residents in their effort to achieve self-sufficiency;
- ◆ Honor public commitments in a fiscally and ethically responsible manner;
- ◆ Create and maintain public confidence in the Authority’s operations and staff;
- ◆ Ensure that the facilities owned and managed by the WHA are marketable in the community and are appealing to residents;
- ◆ Enable the WHA staff to improve their performance through appropriate vision, education, training and career development;
- ◆ Maintain a level of communications between employees, referral agencies, residents and the general public to provide up-to-date and responsive service to the public served by the WHA;
- ◆ Establish performance goals that meet or exceed industry standards and that optimize the use of available resources to achieve its performance objectives; and
- ◆ Assist the city, state and national governments in identifying and addressing housing needs.
